—UP TO THE MINUTE—

Our Bully War Song-That Breathes the Spirit of Victory

AND FINDS A HEARTY WELCOME IN EVERY FRIENDLY FREEMAN'S HOME

AN HISTORIC INSPIRING SONG OF FREEDOM AND DEMOCRACY

BASED UPON

President Wilson's Great Message

That this is also OUR WAR FOR CIVILIZATION, and in self defense we must accept the German challenge to all mankind, and help to win this righteous war with OUR WORTHY BROTHERS—AND OUR OWN BRAVE BOYS "OVER THERE"

WIN A GLORIOUS SWIFT VICTORY FOR LASTING PEACE AND JUSTICE, THAT WILL SAFE-GUARD THE SACRED RIGHTS OF EACH AND EVERY NATION AGAINST THE BRUTAL FORCE OF MIGHT AND

MAKE THE WORLD SAFE FOR DECENT PEOPLE TO LIVE IN

THESE ADDITIONAL VERSES MAY BE USED AT OPTION

LET'S RALLY, BOYS!—(OUR OWN DEAR ALLIES' DELIGHT)

In Nineteen Hundred and Fourteen,
Foes in Europe could be seen,
Smashing through the beautiful country-seats and towns;
And in their insane delight
Gave proof that they had sought this wicked fight,
Oh, the lives they could have saved, had they done right.
For agreed are we that the world must be
Made safe for Democracy.

We wanted to escape this fight,
But it must be settled right,
An enduring peace we find is best for all mankind,
Germany condemned will be,
Till freed from the rule of Autocracy!
That has plunged the world into untold agony.
For agreed are we that the world must be
Made safe for Democracy.

The moral victory is won,
When we ask for nothing more
Than an actual guarantee to stop the cause of war;
Germany need not despair,
Why don't she want to come out on the square,
Laying down her arms, to prove she's playing fair?
For agreed are we that the world must be
Made safe for Democracy.

CHORUS

So let's rally, boys, our flag has joined the Allies,
Comrades in arms, no foe we fear,
For never will we fight, but to defend the right
And win our righteous war.
*Give the Hun no chance to run our land of Freedom,—
Comrades forever may we be,—
With President Wilson we agree that the world must be
Made safe for Democracy.

FOR ENCORES,—TO KEEP THIS SONG UP TO THE MINUTE

*Substitute one of the following "Catch" Lines or any other popular slogan of the day for the fifth line of Chorus.

WE MUST WIN THIS WAR AND END ALL WARS FOREVER!
WIN WE MUST, OUR CAUSE IS JUST, STAND BY OLD GLORY!

WE MUST WHIP THE FOE AND PARALYZE THE KAISER,
WE MUST FIGHT WITH ALL OUR MIGHT THE BEAST OF BERLIN,
TO SAVE EARTH FROM HELL, IS WHY WE JOINED THE ALLIES,
ITS WITH PRIDE WE FIGHT BESIDE OUR GALLANT ALLIES,
SO BEWARE OF SPIES, TRAITORS AND LUKEWARM NEIGHBORS,
HAVE YOU DONE YOUR "BIT" TO HELP OUR BLINDED SOLDIERS?
SURE THE U. S. A. TO-DAY WILL DO HER DUTY,
GREATEST LEADER OF THEM ALL IS WOODROW WILSON, ETC.
